Name of Project

Employment & Skills Group

Sub-Group

Employment & Skills Group

Project Leader

Sue Watkins

Brief Description

The Swindon Employment & Skills Group is charged with delivering the 'Skills and Labour Market' block of the Swindon Economic Development Vision and Framework (2006). The group's aim is to develop a local workforce with the right skills base for our economy and tackle economic inclusion

Person Required (current role, past experience, personal qualities)

If you are an employer based in Swindon we would like to hear about your experiences in recruiting staff, in particular local people for local jobs and what your expectations are in terms of their skills on recruitment and how you up-skill existing staff.

If you are an individual we would like to hear about your skills needs that will; either help to get you a job or help you progress in your current job and if your skills needs are being met.
