Name of Project

Engaging Young People

Sub-Group

Enterprise Group

Project Leader

John Bennett

Brief Description

The Engaging Young People Project aims to encourage young people in Swindon to become enterprising.

Person Required (current role, past experience, personal qualities)

Anyone from any industry/business that approaches his/her work in a new, unique and or creative way. Understand that risk taking is a normal part of business growth, experience of working as part of a team, can be inspiring to get young people to think differently and be more adventurous about the way they approach their futures lives.

Examples of how your business/industry has been innovative and enterprising in approaching its markets, customers, products and workforce are required.

Duration of Project

Ongoing

To get involved, email economicdevelopment@swindon.gov.uk and say what qualities and experience you would you bring to this project
